DIGITAL TRANSFORMATION FOR EVERY CLASSROOM

Showbie combines all of the essential tools for assignments, feedback, and communication in one easy-to-use platform. No matter which devices you're using, Showbie works for you.

WHAT SHOWBIE CAN DO FOR YOU

FOCUS ON TEACHING, NOT TECHNOLOGY
Showbie combines all the essential tools for assignments, feedback, and communication in one beautiful, easy-to-use app. This means less time spent struggling with your tech setup and more time for teaching and learning.

INSPIRE STUDENTS
Students learn best when feedback is unique, personal, and timely. Showbie's suite of powerful tools makes it easy to give rich, differentiated feedback to students, so everyone gets the help they need to succeed.

GO PAPERLESS
Teachers can find everything they need right at their fingertips to organize their classrooms and connect with students. In Showbie, work is never lost or misplaced, and students always stay productive with due date and assignment notifications.

WORKS ON NEARLY ANY DEVICE
From iPads to Chromebooks, Showbie works on nearly every device. It's perfect for a Bring Your Own Device (BYOD) environment or a 1:1 device:student classroom.

NURTURE CLASSROOM COMMUNITY
Students are stronger when they learn together, and Showbie empowers teachers to help students easily share files and ideas with each other. Teachers can create a more engaged classroom community with group projects, peer reviews, and class discussion.

SECURE DATA STORAGE
Industry-leading best practices ensure the safety of your and your students' personal information. COPPA and FERPA compliant.
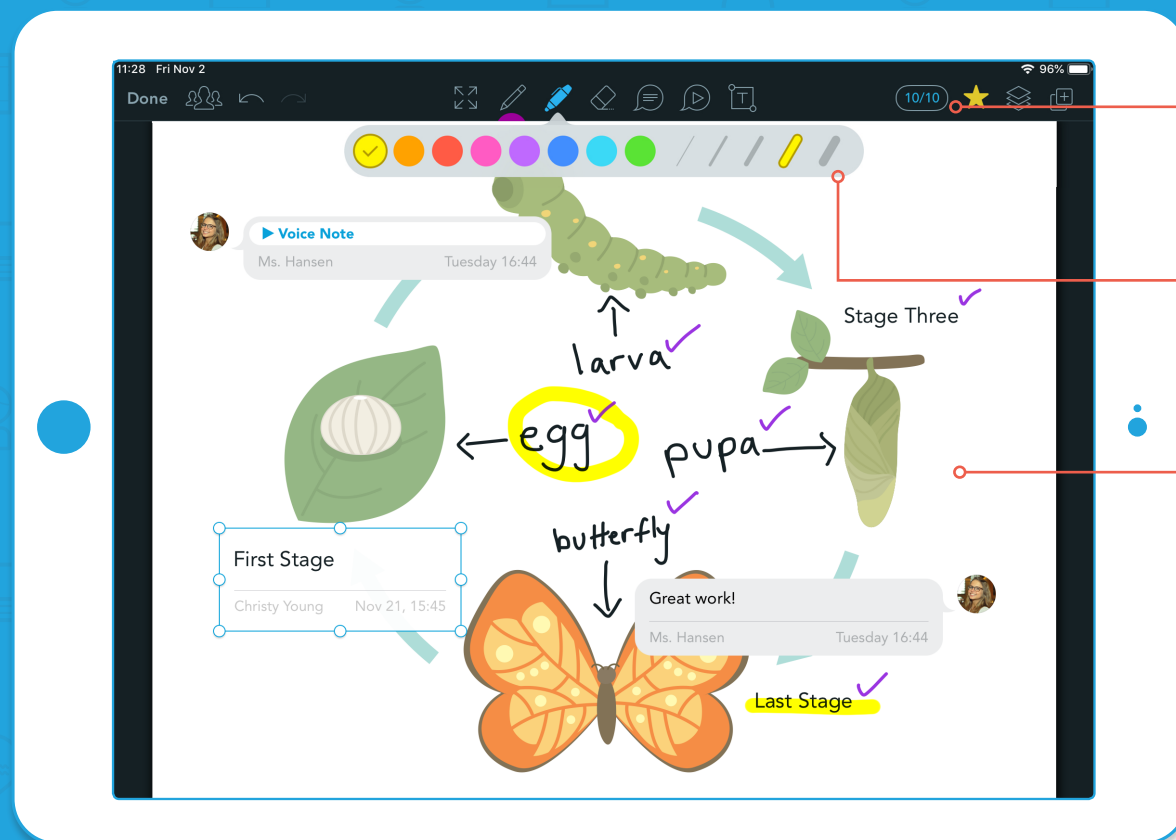

TEACH 21ST-CENTURY SKILLS
College and career readiness skills play an integral part in instruction. Showbie teaches and reinforces essential 21st-century skills by requiring students to interact with their teachers and peers using technology.

UNLOCK STUDENT CREATIVITY WITH APP SMASHING
Showbie integrates seamlessly with the great apps students and teachers are already using, allowing them to assemble, curate, and share all their creative work in one place.

Grade student work, add grades to the gradebook, and export grades easily
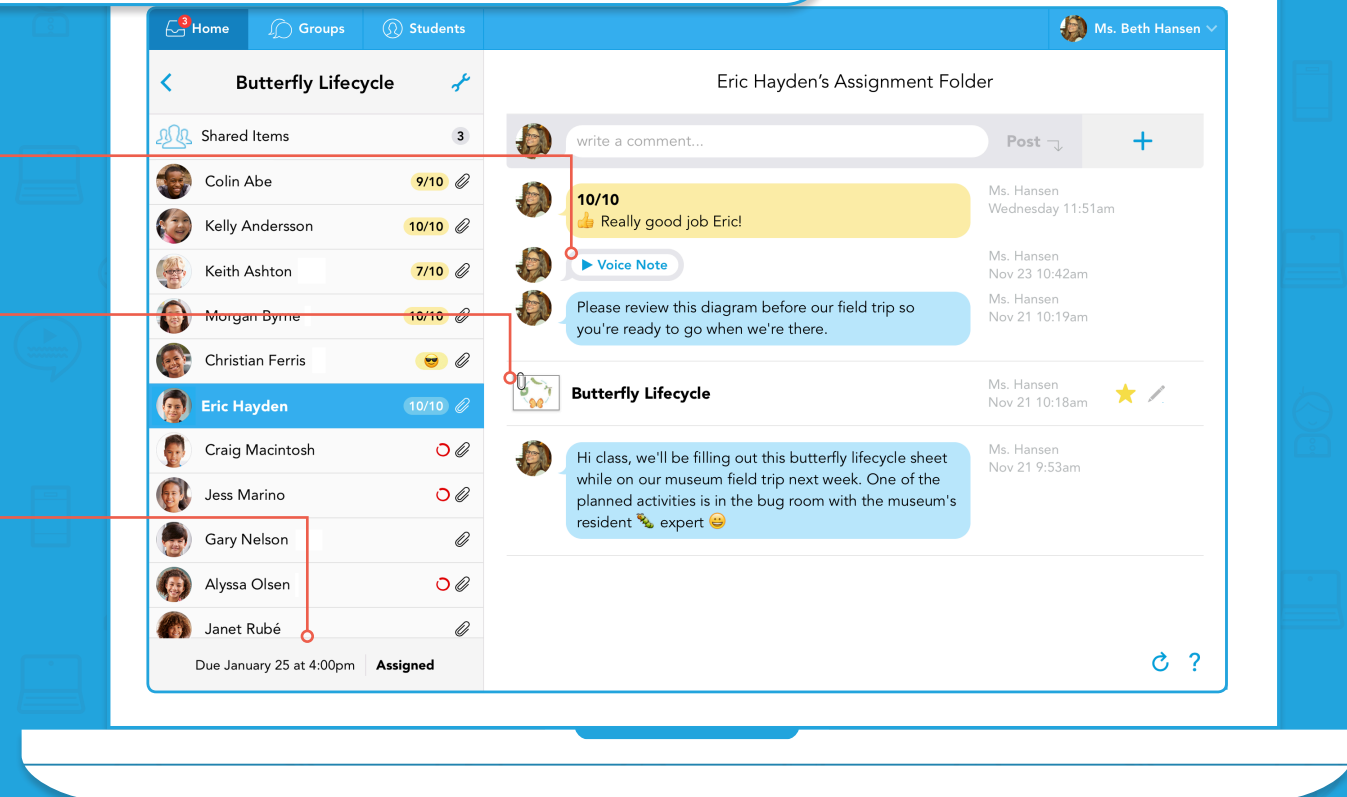

Call attention to details, without obscuring your original work, with rich annotation tools
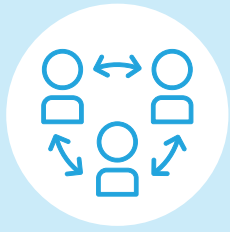

Provide timely feedback directly on assignments

Record Voice Notes with verbal instructions for students

Add documents from your computer, iPad app, Dropbox, or Google Drive in a couple of taps

Notify students when assignments are due and deadlines are approaching

Make your technology rollout work by bringing students, teachers, staff, and parents together on one integrated and easy-to-use platform. Showbie encourages formative feedback, fosters real-time collaboration, and creates opportunities to engage parents in their children's learning.

It's easy enough for kindergartners, yet powerful enough for high school students.

WHAT USERS SAY ABOUT SHOWBIE

"We've been 95% paperless this year, and we haven't had a single missing assignment for two years — from fifth graders!"

– **Kelly Turcotte**, Teacher, Grade 5, Inman School

"Students can easily stay in touch with multiple conversations and updates that are happening in their groups or classes all at once."

– **Fredy Padovan**, Exec. Director of Advancement and Technology, Immaculata La Salle High School

"Showbie is the best app we have. It simplifies classroom workflow and is easy for teachers to use. Its intuitive design allows students as young as kindergarten to write, draw, or speak onto an activity and send it back to the teacher."

– **Keith Madsen**, Director of Technology, East Allen County Schools
